

J3 Web Services Acceptable Usage Policies

Content policy

All services provided J3 Web Services may be used for lawful purposes only. Transmission, storage, or presentation of any information, data or material in violation of any United States Federal, State or City law is prohibited. This includes, but is not limited to: copyrighted material, material we judge to be threatening or obscene, or material protected by trade secret and other statute. The subscriber agrees to indemnify and hold harmless J3 Web Services and its employees from any claims resulting from the use of the service, which damages the subscriber or any other party.

Examples of unacceptable content or links:

- **Pornography and sex-related merchandising**
- **Pirated software**
- **Hacker programs or archives**

J3 Web Services will be the sole arbiter as to what constitutes a violation of this provision.

Pornography and sex-related merchandising is prohibited on all J3 Web Services servers. This includes sites that may infer sexual content, or link to adult content elsewhere. J3 Web Services will be the sole arbiter in determining violations of this provision.

Sites using more than 20% of system resources:

J3 Web Services will be the sole arbiter as to what constitutes a violation of this provision.

Chat Rooms & IRC:

We do not allow clients to install their own chat rooms. These tend to be a large drain on system resources and we cannot allow it as an account option. We currently do not allow IRC or IRC bots to be operated on our servers.

Email

Spamming, or the sending of unsolicited e-mail including, without limitation, commercial advertising and informational announcements, from a J3 Web Services server or using an e-mail address or domain that is maintained on a J3 Web Services machine as reference is strictly prohibited. J3 Web Services will be the sole arbiter as to what constitutes a violation of this provision. A user shall not use another site's mail server to relay mail without the express permission of the site. J3 Web Services will be the sole arbiter as to what constitutes a violation of these provisions.

Server Abuse:

Any attempt to undermine, compromise the security of, or otherwise cause harm to any J3 Web Services server or customer accounts is strictly prohibited and will result in the immediate cancellation of the offending user's account.

Refusal of Service:

We reserve the right to refuse, cancel, or suspend service at our sole discretion. J3 Web Services shall not be responsible for any claimed damages, including incidental and consequential damages, which may arise from J3 Web Services servers going off-line or being unavailable for any reason whatsoever. Furthermore, J3 Web Services shall not be responsible for any claimed damages, including incidental or consequential damages, resulting from the corruption or deletion of any web site from one of J3 Web Services servers. All damages shall be limited to the immediate termination of service.

Failure to follow any term or condition may be grounds for immediate account deactivation.
